

## D-Fi XLR RX

DMX control goes from wired to wireless with D-Fi XLR RX! This compact battery-powered wireless D-Fi receiver uses revolutionary CHAUVET DJ technology to provide instant wireless communication by plugging directly into the XLR port of DMX-compatible lights. D-Fi XLR RX receives DMX and master/slave signals between similar fixtures. Handy LED indicators visually show wireless channel operation. D-Fi XLR RX is fully FCC/RTTE compliant.

# Highlights
